PROFESSIONAL EXPERIENCE

Acumen LLC

Burlingame, CA

Lead Research Analyst – Health Policy Research & Project Management

08/2023 – 07/2026

- Directed **project management** for **3+** concurrent federal health engagements (HRSA-PRF, BPCI-A), keeping each on scope, schedule, and budget.
- Uncovered approximately **\$9M** in potential fraud through **quantitative data analysis** of insurance claims, delivering a report to the Office of Inspector General (OIG) that informed corrective action.
- Advised senior stakeholders on federal policy impact by translating complex data into **issue briefs** and strategic recommendations for Directors and senior officials.
- Led **technical writing and proposal development** across **3+** business development pursuits, securing **1** new contract award.
- Spearheaded **strategic planning** for quarterly and monthly performance reports delivered to participating MSSP and REACH ACOs (~**500** participants) in a Medicare value-based care model.

Cerner Enviza

Singapore, SG

Senior Market Research Analyst – Qual & Quant Research

10/2022 – 07/2023

- Led full-lifecycle **market intelligence** research across **7 international markets**, assessing COVID-19 treatment awareness for pharmaceutical clients.
- Delivered actionable **customer insights** through end-to-end quantitative studies on engagement effectiveness and brand tracking for oncology and anticoagulant teams.
- Shaped drug launch strategy by developing **qualitative research** guides and synthesizing secondary research on Australia's PBS reimbursement scheme.

Syneos Health

San Francisco, CA

Strategy Consultant – Market Intelligence, Competitive Analysis & Forecasting

11/2020 – 09/2022

- Led **commercial due diligence** and competitive analysis across **100+** assets in urology, nephrology, and rare disease portfolios, recommending **39** assets (>**\$250M**) for acquisition.
- Built a 10-year **revenue forecast model** projecting **\$1.1B** in peak-year sales for a novel oncology supportive care drug, guiding go-to-market strategy.
- Facilitated a strategic launch workshop for a COVID-19 monoclonal antibody, driving **stakeholder alignment** across marketing and clinical teams.
- Directed go-to-market strategy for a pharmaceutical client's women's health indications by conducting **SWOT and root cause analysis**, identifying key strategic gaps.

Adivo Associates

San Francisco, CA

Associate Consultant – Competitive Intelligence & Market Research

11/2019 – 08/2020

- Mapped the rare disease landscape (**IVIG and SCIG consumption**) in Sweden through **competitive intelligence** and primary/secondary research, informing international market-entry strategy.
